

DRAWDOWN PARTICIPANTANT GUIDELINES

The Great Prairie Drawdown invites all children, youth, adults & seniors to step out into their yard and make a drawing of an indigenous plant, insect, bird, or other animal in Kansas. A panel of judges made up of field naturalists will select 1,000 drawings which will be purchased for \$1 cash each. Selected drawings will go on to illustrate a virtual online Field Journal of Kansas fauna & flora.

Drawings should be created on reused or recycled letter size paper and must have the following information on the back:

1. FULL NAME
2. AGE
3. PLACE OF RESIDENCE
4. NAME OF INDIGENOUS PLANT, INSECT, BIRD, OR OTHER ANIMAL
5. WHERE DID YOU SEE IT?
6. WHEN DID YOU DRAW IT?
